The Nags Head is a 17th Century Tavern located on the A358 just outside Taunton, and is ideally located just 2 miles from Junction 25 of the M5.

The large, multi-purpose function room offers an environment suitable for a variety of uses including buffets with or without skittles, music events, meetings and conferences, training events, auctions, wedding receptions and parties. We are confident that we can cater to any need you may have and would welcome a discussion about how we may be able to work with you.

With two intimate restaurants, a welcoming bar area, extensive beer garden, large function room and ample parking, the team are committed to ensuring the venue offers something for everyone.

For your event we can offer a choice of buffet menus, a delicious fully staffed carvery or the daily menu. We can provide tea and coffee or a full selection of alcoholic and non-alcoholic drinks.

The Carvery is available every Wednesday and Sunday lunchtime from 12.00pm
